foreword . . .

"United we stand; divided we fall."

Through working together in home rooms, Forum, and cabinet, we have gained experience in Democracy; through co-operating with the faculty, we have broadened our scope of knowledge; through working as a team, we have gained glory in all sports; and through joy of school spirit, we have raised GHS to a position high in the eyes of the world and dear to the hearts of her graduates.

Using teamwork as the theme of the 1952 Nautilus, the staff has attempted to show that by pulling together, we have made this the best year ever.

Teamwork makes for success.

dedication

● for your unfailing good humor, your informal ways, and your outstanding ability to create teamwork on the gridiron, on the hardwood, on the track, on the diamond, and in the hearts of the boys, the staff dedicates the 1952 Nautilus to you, Coach James A. (Slick) Moore, our friend.

the chambered nautilus...

Build thee more stately mansions, O my soul,
As the swift seasons roll!
Leave thy low-vaulted past!
Let each new temple, nobler than the last,
Shut thee from heaven with a dome more vast,
Till thou at length art free,
Leaving thine outgrown shell by life's unresting sea!

Telephone Girls

and some of the
things they do

Telephone girls enjoy interesting and important jobs in a growing industry.

Operators using modern equipment provide world-wide communication. — Service Representatives handle customer contacts in our business offices. — Stenographers, Typists and Clerical workers perform important and specialized jobs in all departments.

If good pay—friendly associates your own age—paid vacations—sickness benefits and frequently scheduled raises appeal to you—why not come in and talk with us about a position with the Telephone Company.

... Career With A Future ...

- Have you always wanted to be a Nurse?
- Are you looking for a profession that will bring you a lifetime of satisfying experience in helping people when they need you most?
- Then nursing is your career!

Greenville General Hospital School of Nursing offers to young women of intelligence and character a three year course (with college credits) leading to registration as a graduate Registered Nurse. Three years packed with all the things necessary to build a life and a secure future.

If you are interested in nursing as a career or as preparation for other fields of endeavor, the staff of the school will be happy to advise you. Just write or call for an appointment.

Dear Ray,

I was so mad when you got in senior study hall, that meant I couldn't pester you anymore. But seriously, I've missed you - and sure will miss you next year - you've been a wonderful friend - I won't forget you.

FOR A JOB WELL DONE

We like to feel that we have been an important part of your education since before you entered kindergarten, when Mother or Dad read you the Comics.

On through primary, grammar, and high school we feel that we have been increasingly important to YOU—because

Each day we have presented you an entirely new product filled with important events of the day for YOU.

A fund of items that gives you the NEWS—to keep you posted on the ways of the world, your country, your neighborhood. To give you INFORMATION—a guide toward success, amusement, happiness — ADVERTISEMENTS to tell you what and where to buy.

And we hope that we may continue to be a part of your daily life, in whatever occupation you may choose, a source of INFORMATION, NEWS and FACTS to make living more pleasant and profitable for YOU.

1856-1952

The sometimes fabled Diamonds of antiquity carried no greater charm of fascination than the Diamonds we are showing now. Come in and see them when you will. Let our 89 years of Diamond handling be yours to command as we tell you the things about Diamonds that will allow you to draw hairlines of distinction in grading your application. Then let our enviable Diamond buying privileges be put to work to **SAVE YOU MONEY** in the Diamond purchases you from time to time make. We are not talking at random when we advise you that this is a good time, especially at the favoring prices we are now able to offer — to buy **DIAMONDS**. **YOU MUST BUY VALUE IN DIAMONDS IF WE MAKE THE SALE.**

Our Complete Jewelry Manufacturing Facilities — right on the premises — are yours to make use of, no matter on how quick call — for remounting, for modernizing of jewelry pieces of cuttings and the like.
